Admissions to South Moreton School September 2019

In June 2017 South Moreton School converted to an academy with the Oxford Diocesan Schools Trust (ODST) and the process for admissions is now as follows:

Any child whose parents are residing in the parishes of North Moreton, South Moreton, Aston Tirrold and Aston Upthorpe are within the catchment area of School.

A free bus service operates for all pupils living in the catchment area.

Children whose parents reside outside the four parishes can state a preference for their child to be educated at South Moreton School or to be transferred from another school.

If parents would like to apply for a place for their child at South Moreton School the following procedures must be followed:

1. An Oxfordshire County Council's Admission to Primary Schools form has to be completed online or in paper format and returned to Oxfordshire County Council.
2. No place can be officially offered until written notification has been received from Oxfordshire County Council, admissions department.
3. Oxfordshire County Council is compelled by law to comply with parent wishes unless:
 - a. it prejudices the provision of efficient education and the efficient use of resources
 - b. there are no places available

Our policies for admissions in 2017 – 2018 and 2018 are available on our website. We are currently consulting on our admissions policy for 2019-20. The draft policy can be found by following the link below:

If you would like to respond to the consultation with any comments, you can email them to the Governors using the address consultation@south-moreton.oxon.sch.uk or write to the school office, marking your envelope "Admissions consultation". The consultation will close on the 31st January 2018. Policy documents are also available from the school office:
